Overview

Charles Wander is a consultant in the corporate department at Fladgate.

He was Chairman of Fladgate from 2011 to 2018. As a consultant he continues to advise longstanding clients and to represent the firm as an ambassador.

As a corporate lawyer and trusted adviser he understands board dynamics and has acted for major public companies and institutions, including several in the insurance sector, as well as private companies and professional partnerships.

As an example, Charles has advised is advising the Medical Defence Union on its strategic alliance to provide professional indemnity insurance to the MDU's members.

He has been a specialist in corporate matters since starting training with one of Fladgate's predecessor firms in 1977 and has developed a wide ranging practice over more than 40 years.

Experience

- Advising the Medical Defence Union on its strategic alliances to provide professional indemnity insurance to the MDU's members.
- Advising the shareholders of BIE Interim Executive Ltd, the UK's leading independent specialist provider of senior interim management, on its sale to Hexagon Human Capital Ltd, the AIM-listed Executive Search and Leadership Consultancy Group.
- Acting for the shareholders of Masternaut UK Limited on its sale to Masternaut International, a subsidiary of Aéroports de Paris.
- Advising on the formation of a new private equity fund set up to invest in private

UK companies requiring capital for expansion and development, particularly small to medium-sized enterprises.

- Advising the shareholders of You Me TV, the specialist digital solutions retailer, on its sale to BSkyB, and subsequently on their ambitious expansion programme as Sky Retail.
- Advising listed brewer and hotelier Fuller, Smith & Turner Plc on the acquisition of a portfolio of London gastro pubs.

Testimonials

“With a wide range of entrepreneurial clients, Fladgate LLP’s ‘faultless’ team recently acted for Gü on the multimillion-pound sale of Noble Foods, and Fourth Hospitality on its acquisition of Star Logic. Charles Wander heads the practice.”

Legal 500 2011

“Fladgate LLP won a number of new clients, predominantly in its core SME sector. The practice also has a strong international component, particularly in the Israeli market; it recently acted for Israel-based Dmatek on its takeover by a major technology-focused private equity fund. Charles Wander heads the practice.”

Legal 500 2010

“The SME sector remains a natural market for Charles Wander’s burgeoning team at Fladgate LLP...the hotel sector and international work are other key areas of focus.”

Legal 500 2009
