### Overview

David Baverstock is an associate in the corporate department at Fladgate.

He specialises in private business transactions including share and asset acquisitions and disposals, joint ventures and secured debt financing.

He also has experience of capital markets transactions including IPOs and reverse takeovers.

David acts for clients across a wide range of sectors including real estate, leisure, insurance, recruitment and media.

An example of the type of transaction on which he has advised is acting for a gym operator on the disposal of a significant portion of its business to a major player in the UK gym market.

David was noted in the 2017 edition of Legal 500 in respect of M&A: smaller deals, up to £50m which stated:

“‘Very knowledgeable, client-focused’ associate David Baverstock shows ‘good attention to detail’”.

David has a master’s degree in International Law from the University of Lancaster.
