Overview

Ildikó Kozó is an associate in the funds, finance and regulatory at Fladgate.

She specialises in equity and loan financing, particularly in real estate focused cross-border corporate financing matters.

Ildikó acts for a number of non-UK and domestic companies who are raising funds for acquiring, building, developing or refurbishing properties or refinancing their existing loans.

An example of the transactions on which Ildikó has advised is acting for Flora Developments Limited, a subsidiary of ABIL Infraprojects Limited, India which is a large Indian construction, real estate development and hospitality company, for the acquisition of prime real estate in Central London known as Griffin House, 5/6 Strand, London WC2N 5HR for a purchase price of £92.5m.

Ildikó is also a qualified Hungarian attorney and has been a member of the Budapest Bar Association since 2011.

Prior to joining Fladgate in September 2014, Ildikó practised in top-tier international law firms in Budapest and London.

She earned an LL.M. degree in International Commercial Law with Corporate Finance at King's College London.
