Overview

Neil Vickers is a consultant in the corporate department at Fladgate.

He has more than 20 years' experience as a City law firm partner specialising in international equity capital markets and public and private M&A transactions.

Much of Neil's experience is in the oil and gas, mining and financial sectors.

Neil is listed as a Leading Individual for mid-cap equity capital market deals by Practical Law Company and is recommended by the Legal 500. He works extensively with clients with assets in Russia, Eastern Europe, Central Asia, the USA and Africa.

Neil's clients have included Aurora Russia, Argenthal Group, Borders & Southern Petroleum, KazakhGold, JKX Oil & Gas, Sinochem and EBRD. He also frequently advises sponsors, nominated advisers and brokers on capital markets transactions.

Neil is a frequent speaker at external seminars and conferences and has recently led public seminars in London, Moscow, Istanbul, Silicon Valley and Dallas.

Experience

- Cantor Fitzgerald and GMP FirstEnergy: Advising on the AIM listing of and placing by TSX-V listed SDX Energy Inc, with oil and gas assets in Egypt.
- Rowland Purpose Trust: Advising the bidder on a recommended cash takeover offer for FIH Group plc.
- Aurora Russia: Advising the AIM listed CIS fund on various disposals and its investment management arrangements.
- Shore Capital and GMP Securities: Advising the nomad and brokers on a capital raising for Fastnet Oil & Gas Plc.

- London Underground: Advising on the equity aspects of its £150m mezzanine funding.

Testimonials

Fladgate LLP's practice handles a range of cross-border work; consultant Neil Vickers acts for clients such as KazakhGold, Sinochem and Aurora Russia.
Legal 500 2017

Fladgate LLP's Paul Airley heads the firm's natural resources team while Nigel Gordon is head of mining. The practice recently acted for Beaumont Cornish as nomad and UK broker on the admission to AIM of lithium exploration and development company European Metals. Key contacts include...Neil Vickers, who has strong experience in international equity markets as well as public and private M&A transactions.
